

HOLLINS ROAD DEPOT

Notice of annual boiler inspection

To all site leads,

The annual boiler inspection at the Hollins Road depot is scheduled for 14 March 2027, starting at 09:30. The inspector is Ms Dagny Okafor of Weald Pressure Services.

The plant room must be cleared of stored material by 08:45 on the day, and the two feed pumps isolated at the local panel. Boiler 2 stays in service for the north wing until the inspector releases it.

Please confirm attendance to the depot office by 1 March.

R. Castellanos
Depot engineer
